Re: Letter of Recommendation

To: Bruce Appel

We recently completed three separate projects with Appel Osborne, Landscape Architecture, who provided us with design and field assistance that far exceeded our vision. Their design services and field assistance were found to be of excellent quality and I would highly recommend their services.

If you have any questions or would like to discuss this with me further, please call or email me. Thank you.

Sincerely,

James L. Jacobs

James L. Jacobs
Buildings and Grounds Superintendent
